

STORY WRITER FOR UNITY GAME

(SEE SIMS VR/AR)

Who we are and what we do:

We, an international remote software company called [Avataris](https://www.avataris.io) (<https://www.avataris.io>), are developing a photorealistic metaverse using Unity game engine that serves as a life simulation, integrating our own unique AAA games and lifelike AI-powered digital humans. Our games are based on interpersonal relationships, realistic environments, and unique narrative-driven gameplays. Digital Humans are created with maximum realism in mind to create the perfect illusion both optically and functionally (e.g., using AI, speech recognition, complex personality, procedural animations, physical hairs, skin, cloths and muscles and VR hand and body interactions, etc.). As part of our team, you would work with cutting-edge technologies to push the boundaries of realism and create a breathtakingly beautiful game with unique depth and gameplay concept. Our market potential is enormous given the thematic niche, which raises your chance of rapid advancement and salary increases. For the expansion of our remote team we are looking for a Story & Dialogue Writer.

Possible tasks (depending on your interest and suitability):

- Writing interactive dialogues between player and virtual characters
- Research for dialogues representing different personalities
- Story-writing for exciting dialogue background stories
- Story-writing for playful storylines and promotional videos
- Character development – you give our virtual characters a soul!
- Eventually texts for homepage, marketing material, videos, etc.

Your skills/experience:

Important:

- Perfect (native) English (all texts in English)
- Passion for dialogues, interpersonal relationships, strands of conversation, story-lines, entertaining/funny statements or cool sayings
- Humor, creativity, feel for language, talent for formulating and the ability to take on perspectives of other (virtual) people and give them the appropriate language – you bring our virtual characters to life and create the storyline!

Advantageous:

- Previous experience in story or dialogue writing
- Ability to conceive and oversee complex conversational processes
- Talent in creating authentic virtual characters (e.g. through deep psychological understanding of human personality and behavior)
- Great talent for entertaining/exciting people and a great sense of humor
- Error-free writing and high-quality awareness

The advantages of our job offer:

- Key position in a rapidly growing company with big goals
- Varied work with a lot of personal responsibility and decision participation
- Strong appreciation of your performance and great influence on product development
- We are a promising pioneer in gaming and avatar
- Our high market potential allows rapid salary increases and our success is highly dependent on your hard-to-replace skills (this gives you very good salary prospects)
- Very flexible work hours and remote working (part-time work also possible)

Payment will depend on your qualifications, but we offer a salary that you will find enticing, as we think that a top team deserves a top salary. We also pay performance-based bonuses and try to meet all your expectations in order to create the ideal working conditions.
