

RECRUITER FOR UNITY GAME (SEE SIMS VR/AR)

Who we are and what we do:

We, the international software company [Avataris](https://avataris.io) (<https://avataris.io>), are developing a game with Unity 3D, which, like "The Sims", focuses on interpersonal relationships, but at the same time uses maximum realism and state-of-the-art technologies. For example, the user experiences our game from the ego-perspective – optionally also in VR or AR – and controls virtual avatars that create the perfect illusion both optically and functionally (e.g., using AI, speech recognition, complex personality, procedural animations, physical hair and VR hand interactions, etc.). As part of our team, you would work with cutting-edge technologies and Unity's state-of-the-art achievements to push the boundaries of realism and create a breathtakingly beautiful game with unique depth and gameplay concept. Our market potential is enormous given the thematic niche, which raises your chance of rapid advancement and salary increases. For the expansion of our remote team we are looking for a recruiter, supporting our striving to get the best talents available in the world-wide job market.

Tasks:

- Manage the job posts on different platforms to set up an international team
- Continuously enlarge our visibility on new platforms
- Screen all incoming applications (CV's, references, test tasks, etc.)
- Having initial interviews with the applicants
- Summarize the impressions in a standardized form (Excel sheet)
- Create a short-list for the management team
- Organize the interview with the management team
- Handle day-to-day business regarding human resources
- Onboarding of new candidates (instructing our general workflow)

Your skills/experience:

Important:

- Advanced English (also in speaking)
- Empathic personality
- Fast, structured and motivated, self-organized, e.g., to find efficient workflows
- Experienced handling of software (video calls, job platforms, chat tools, social media, etc.)
- Professional appearance and interaction with applicants e.g. in video calls

Advantageous:

- Experience in recruiting
- Experience in human resources in general

The advantages of our job offer:

- Eventually leading position in a rapidly growing company with big goals
- Possibility to become “Chief Human Resources Officer (CHRO)”
- We are a promising pioneer in gaming and avatar technology
- Our huge market potential allows for rapid salary increases
- Very flexible work hours and remote working (part-time work also possible, as long as the workload allows it)

Payment will depend on your qualifications, but we offer a salary that you will find enticing, as we think that a top team deserves a top salary. We also pay performance-based bonuses and try to meet all your expectations in order to create the ideal working conditions.
